Bedrooms: 4
Bathrooms: 4
Area: Montclair side of Piedmont
Style: Contemporary
Square Footage: 3,354
Lot Size: 6813
Year Built: 1962

Welcome to this exquisite contemporary four bedroom, four bath home on the Piedmont side of Montclair. The dramatic vaulted ceilings and walls of windows with breathtaking Bay Views offers a mesmerizing setting. Stylish and sophisticated details abound throughout this wonderfully modern home. The versatile floor plan offers two master suites with baths as luxurious as your favorite spa. The upper level formal living areas with wrap around decks are balanced by the casual family room downstairs which is level out to lush and secluded gardens. Just minutes away from the ample boutique shops, eclectic restaurants and conveniences of Montclair Village.
